2018 Information Pack

Fierce Dance Academy is a fun friendly dance school setup in the Southern Highlands. Pre-school to adult classes in a wide range of dance styles for girls & boys.

Allows children to enjoy the physical & social benefits of dance in a safe, caring, positive environment.

With a real focus on learning through dance where every child can build their confidence and social skills, learning manners while developing their dance technique, coordination, musicality, balance, posture and rhythm.

Encouraging all the children to interact and share as they learn to dance without any pressure.

This programme is designed to encourage children and young people to get active and stay active.

Over the next four years my goal is to ensure there are more and higher quality opportunities to participate in dance within schools and that these opportunities are well connected to and supported by other local and national partners. Motivating and inspiring young people to take part in dance.

Different styles are available within the school programmes: Jazz, Hip Hop, Ballet, Acro, Babyballet, Lyrical, Choreography.

Dance Styles breakdown

Jazz- Students will learn the correct stretching techniques with a strong focus on advanced dance techniques. The class offers routines in various styles within Jazz.

***NEW *Lyrical-** Students will learn correct technique within this style to perform to music with lyrics to inspire movements and to express through dance.

Hip- Hop- Students will learn the tricks and techniques of hip-hop as well as routines in various styles of commercial and street.

***NEW/COMING SOON* Musical Theatre-** Students will learn the form of theatrical performance that combines songs, spoken dialogue, acting and dance.

***NEW* Acrobatics/ACRO-** Acrobatics Dance, or acro as it is commonly referred to by dancers and dance professionals, is the beautiful fusion of classic dance techniques and the precision and athleticism of acrobatics elements. Often defined by unique choreography, acro dancers seamlessly blend musicality, emotional expression, line and extension and acrobatics movements in a dance context.

***NEW *Baby Ballet-** Our programme fits well within the Australian Early Years Learning Framework, 'Belonging, Being and Becoming', making it the perfect activity choice for you and your child. Our classes provide the opportunity for babies and young children to learn and develop key life skills in a healthy and safe environment.

***New *Hip- Hop & Jazz Troupe-** This year we will be selecting students to take part in our two new hip-hop/Jazz troupes which will take place at Robertson School of Arts. Students who are selected have to be dedicated to FDA Troupe. More information will be given out soon.

What to wear to dance classes?

Why do we have a set uniform?

There are many reason why we have a set uniform for our academy.

Most importantly the uniform helps the teacher determine if the students are learning and executing their movements in class correctly by allowing them to see the 'line of the body'. This way teachers are able to make sure the students are training correctly and safely. Correct dance shoes must be worn for all styles of dance. Additionally, it creates a feeling of belonging and gives the students a sense of pride in their Academy. It also makes FDA students easy to identify at competitions & events.
